Why are California's Water Laws Convolutated – A Lesson in History

Presented by Brian Pitts
Hydrogeologist (Retired)

Bio:

Brian Pitts is currently a lecturer at CSUB where he teaches "Water and the West" and "California Geology and Society".

He has a graduate degree in Geology from Northridge and is a California Certified Hydrogeologist as well as a California Professional Geologist. He recently retired as the Division Chief of Kern County Environmental Health Department where he oversaw the Hazardous Materials program, Emergency Response and Enforcement. He is a member of AAPG, a Registered Environmental Health Specialist, a Hazardous Materials Specialist (Emergency Responder), and a Terrorism Liaison Coordinator.

August Sponsor:

Schlumberger
